

# The 55

*Fifty-five rules for selling, serving and starting again.*

|    |                                                |    |  |
|----|------------------------------------------------|----|--|
| 01 |                                                | 29 |  |
| 02 |                                                | 30 |  |
| 03 |                                                | 31 |  |
| 04 |                                                | 32 |  |
| 05 |                                                | 33 |  |
| 06 |                                                | 34 |  |
| 07 |                                                | 35 |  |
| 08 |                                                | 36 |  |
| 09 |                                                | 37 |  |
| 10 | Opportunity rarely introduces itself properly. | 38 |  |
| 11 |                                                | 39 |  |
| 12 |                                                | 40 |  |
| 13 |                                                | 41 |  |
| 14 |                                                | 42 |  |
| 15 |                                                | 43 |  |
| 16 |                                                | 44 |  |
| 17 |                                                | 45 |  |
| 18 |                                                | 46 |  |
| 19 |                                                | 47 |  |
| 20 |                                                | 48 |  |
| 21 |                                                | 49 |  |
| 22 |                                                | 50 |  |
